Number of paupers on the farm 3. The damage to the crops and fences by the freshet of Oct. 3rd was about two hundred dollars (\$200.) The Superintendent built a house in the grove last year for the accommodation of pic-nic parties, worth one hundred dollars (\$100,) although at but little expense to the town except for the lumber.

Mr. & Mrs. Sawyer have labored faithfully in their several departments, and it is worthy of remark that during the eight years that they have had the superintendence of the farm, no fault in regard to their management has ever reached the ears of the Overseers, and it is with general regret that they now leave the farm.
